GNC Helps Cayman Marathon to Run Well

GNC, Cayman’s leading provider of sports nutritional products, vitamins and supplements has come on board as a sponsor of the Cayman Islands Marathon which takes place on Sunday, 6 December.

“We are so pleased that GNC has seen it fit to partner with the Cayman Islands Marathon,” said Rhonda Kelly, Race Director. “GNC’s whole brand and vision is about living well, and part of living well is exercise, and so we think that the Marathon and this sponsorship is a great match. We are grateful for the support and we look forward to a long term, mutually beneficial relationship with the GNC brand.”

“The Cayman Islands Marathon is a very successful event that has proven itself over the years,” said Chris Lopez, GNC Managing Director, explaining why the company decided to become a mile sponsor. “We are thrilled to be a part of an activity that promotes a healthy lifestyle through diet and exercise and we encourage all runners to stop by GNC to see how they can enhance their training and nutrition programmes leading up to race day.”

In addition to their financial support as a mile sponsor, GNC is also providing coupons for a free Gold Membership to each registered runner. Those runners who opt to become members can receive 20% to 60% off all GNC products on the first seven business days of the month and every Wednesday of the month, all year long.

Registration for the Cayman Islands Marathon, half-marathon and four-person relay is available at CaymanIslandsMarathon.com. Participants can also do walk-in registration at the Kelly Holding office.
